Dear Mr. Dulles:

Under separate cover I am sending you an advance copy of Prospect for America, the Rockefeller Panel Reports in one volume. The book will be published on March seventeenth and will be available in hardcover and paperback editions.

Publication of Prospect for America marks the conclusion of this phase of the Special Studies Project. The Trustees of the Fund organized this project in the belief that there was real merit in a group of citizens making an effort to look at America as it is, to try to discern what is expected of America -- and what America must expect of itself. Although we cannot assess the ultimate value of what these men and women have done, we do know that a spirit of responsibility and concern has guided their efforts.

With best wishes,

Sincerely,

Laurance S. Rockefeller
